Description

This CHINESE ANCESTOR PORTRAIT PAINTING, mounted in an OAK frame, dates from circa 1890. The back is covered with sheets from a newspaper dating from 1946 which appears to have been in place since that time and, as a consequence of the painting not having been disturbed, there are some marks on the inside of the glass and a small crack to the very top of the left hand corner (as seen from the front). Overall measurements of frame: Height: 49 inches (124 cm) Width: 37 inches (94 cm)
