Description

Gents 1960s Certina wrist watch. The watch has a signed hand-winding movement, a Certina 28-10, which is working nicely. The watch measures 35mm diameter excluding the winding crown and the lugs. The case is stainless steel and it is signed on the inside of the screw-on case back. There is some marking to the case, mainly scratching to the case back and a small knock to the side. The lens is in good condition. The signed dial is in lovely condition with original hands, a subsidiary seconds dial and outer minute markers. A new leather strap has been fitted. The watch comes in a new presentation box.
