Description

This very substantial and heavy pair of Bronze and gilt bronze candelabra are of fabulous quality. Produced in France around 1900, each is modelled in standing pose and holding two flaming torch candle holders. They stand on marble and gilt bronze bases. They look spectacular when holding lighted candles. They measure 40cm from top of torch to base. The gilded bronze bases are 12.5 cm square. We are happy to answer any queries you may have.
