Description

A fabulous Victorian wrought iron gate in a very unusual and individual design. The overall condition is good, the gate has some areas of surface rust but the hinges are very sound and the latch is intact, the gate has a base coat that just needs touching up and finishing with a top coat. c.1890 Width of gate: 36" (91cm) Width including hinges: 38.25" (97cm) Height: 60" (152cm)
