Depth = 61 cm (24.0")

Description

Set of 8 antique French provincial dining chairs, including 2 carvers with cane seats & backs, all in good original condition & dating to around the 1890-1910 period. All the cane work is in good condition & so is the wood, which I believe is beech. These chairs have shaped high backs, scroll over arms & shaped front cabriole legs with cross stretchers between the legs. They are just as we obtained them & we just gave them a gentle polish. I think they would benefit from loose seat cushions which would give more comfort & look quite nice. Carvers: Width – 24 inches, 61 cm Depth – 24 inches, 61 cm Height -45 inches, 115 cm Side chairs: Width – 20 inches, 51 cm Depth – 21 inches, 54 cm Height -45 inches, 115 cm Seat height – 18 inches, 46 cm
