Description

Very attractive 1930's Art Deco bakelite clock with a very distinctive dial, Blangy clocks always have amazingly styled numerals and this one is no different. Originating from France this wonderful clock is the epitome of Art Deco with its fabulous shaped case. The clock works well and keeps good time having been recently serviced. Condition is excellent and as good as one could expect from something nearing 90 years old. Some light scratches to the chrome in parts, nothing distracting but mentioned for accuracy.
