Description

A genuinely impressive Art Deco perfume bottle with a very attractive and iconic geometric black enamelling decoration to both the body of the bottle and stopper. Manufactured in Czech republic in the 1930's this stunning bottle is in great condition and unusually larger than the regular sized bottles we normally see. The stopper is in excellent condition also, which ensures you a real collectors item for your Art Deco setting. No damage to mention only small residue of perfume clouding to the base of the bottle - see pics.
