Description

Part of the Half doll family is this novelty pin tray bowl which depicts a 1920's girl in the fashion of the day flying on the back of a pig. The detailing is superb and with humour as she uses the pigs snout as a grip. Lovely colouring pea green with gold shoes on a brilliant white pig. No markings but believe it's German. No damage to report, quite large in size and a perfect addition to any Art Deco or Half doll collection.
