Description

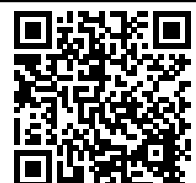

A superb pair of 19th Century walnut stools standing on turned legs, joined by carved and pierced scrolling stretchers. These antique stools have drop in seats, these have been newly upholstered in a lovely neutral linen fabric. The condition is good, they are solid and stand firmly with no wobbles. There is evidence of historic woodworm, long dead, but we have had both stools treated for peace of mind. A wonderful pair of Carolean style stools that will be easy to place in any interior. c.1880 Height: 18" (46cm) Width: 18" (46cm) Depth: 18" (46cm)
