Description

18th C. Pair of Georgian Lead Garden Putti c.1780 This is a lovely pair of Georgian lead garden figures from approx. 1780. The pair of figures depicting putti one is holding a wheat sheaf the other is holding grapes. Both putti are standing on a later plinth. There is some restoration to the base as during time and erosion the lead at the base has been partly parished away (see photo's). The pair of putti have a very nice patina. Measurements: Putti with wheat sheaf: 59cm Height. Putti with grapes: 57cm height.
