Description

A beautiful matched pair of original Art Deco period bedside cabinets in walnut, these date from the 1920-30's. It's unusual that they seem to be a his and hers pair, though they were clearly made by the same manufacturer at the same time, one is slightly bigger than the other. When placed either side of a bed, this would not be noticeable. We have had these stripped and re-polished to a very high standard, the condition is superb throughout. Width – 33 cm , 13 inches / 35 cm , 14 inches Depth – 43 cm , 17 inches Height – 73 cm , 29 inches / 77 cm , 30 inches
