Description

This is a very rare Chinese antique lacquered wedding cabinet in good original condition. It's a very old piece. I'm no expert on antique Chinese furniture, but it looks to me as though it could be 18th century, otherwise it's 19th century. All the wood inside & out is naturally aged. There are lots of images which you can enlarge, so judge for yourselves. It's structurally sound & has plenty of character. The brass lock is original too. Width – 41 inches, 103 cm Depth – 19 inches, 49 cm Height – 58 inches, 147.5 cm
