Description

Date made: 1804 Metal: 18ct gold Condition: Excellent commensurate to it's age Finger length: 11mm Ring Size: UK S US/CAN 9 1/8 can resized This beautiful antique ring is hallmarked London c.1804. Drawing the viewers eye is interecately woven hair behind glass with black enamel wonderfully accentuating it. Gorgeous 18ct gold scroll work flows around the shank with black enamel. Some of the enamel has worn but that is to be expected with a ring that is over 200 years old. There is an inscription to the back of the ring reading "In memory of Thos. Moore Ob. 15 Dec 1826 at 31" The ring is solid 18ct gold fully hallmarked and the ring is in very good condition commensurate to its age. A fantastic one off georgian ring with so much nostalgia so make sure you don't miss out.
