Description

Antique gilt wood bench in good original condition & with carved decoration on the sides. I believe it could be Italian & the gilding is naturally aged. It came out of a private residence in London & we have just had the seat recovered in cream cotton linen fabric. I would say it dates to around the 1930's period. Width - 28 inches, 71 cm Depth - 17 inches, 43 cm Height - 18 inches, 46 cm
