Description

Stunning Art Deco blue glass perfume scent bottle with it's matching powder box. Beautiful deep blue glass, very collectable dating from the 1930s. Czech in origin. Superb black enamelled geometric design with etched glass detailing. Thoroughly checked over and can't see any chips, so in superb condition. The inside of the bottom of the perfume bottle and trinket is a little cloudy and there are some very minor surface marks on the underside which is just normal signs of use from pieces of this age - see pics. It measures a whooping 30.5 cm high. Condition is excellent with minimal signs of any age, just a tiny residue of perfume to the base.
