Description

Antique three door wardrobe covered in chinoiserie decoration dating from the 1910 period & made by the famous English cabinet maker Hille. It's stunning quality inside & out, with a well fitted interior consisting of drawers, slides, shelves & a double hanging area. There are three doors on the front with two panels in each & the chinoiserie decoration is all over the blue background. This wardrobe is in good original condition, with plenty of character. However, there is plenty of wear to the lacquered finish, so please check all of the images to see for yourselves. We haven't attempted to restore the finish & I think you just have to accept it as it is. Width – 74 inches, 188 cm Depth – 24 inches, 61 cm Height – 80 inches, 204 cm
