Description

This antique walnut bow fronted cabinet is fine quality & is a very practicable item of furniture. It's quite slim from back to front & has plenty of useful storage inside. The top back section is burr walnut & has some beautiful carving on the top. The two doors are burr walnut, cross banded with figured walnut & there is a brass beading between the doors when closed. The sides are figured walnut & it sits on solid walnut legs. There is a working lock & key & the inside of this cabinet is polished too. This cabinet is Queen Anne style & I would date it to around the 1920's period. Width - 45 inches, 115 cm Depth - 16 inches, 41 cm Height - 44 inches, 112 cm
