## Description

A pair of heavy and substantial silver plated candlesticks in the Rococo style. They are circa 1880 and most probably Sheffield plate. There is no plate loss at all. There is a small dent on the base but it's hardly noticeable. Overall a lovely example of Victorian candlesticks and in very good condition for their age. 26cm high and 12cm across the base. Payment by Paypal or bank transfer. We can ship worldwide and calculate the cost to the buyer.

Internal Ref: A1993
