Description

Size: 6ft 11in x 3ft 9in (210 x 114cm). Old Anatolian Yagcibedir village rug or traditional medallion design. Circa 1920/30. A very good example of this classic design with a wide range of different design elements to the field. The border is traditional for this village and often found on 19th century rugs. The colours are traditional for this village and work really well with this bold design. Note the original plaited long end finishes at both ends. Excellent condition with very slight even wear. Hand washed and ready for use or display. Stock Number: R-727.
