Description

Very ornate antique French gilt metal & bronze candelabra lamp with five arms & lights attached. This lamp has been rewired & has the right shades which can clip onto the bulbs. It's a matter of choice if you want to use the shades or not & could look good either way. This lamp has ornate decorative high quality castings all over & there's a bronzed cherub sitting in the middle. It also has all the original faux candle holders. We have had it rewired with gold linen covered twisted flex. I would date this light to around the 1930's period. Width – 15 inches, 38 cm Depth – 9 inches, 23 cm Height – 21 inches, 54 cm
