## Description

This is a fine quality late 18th century carved oak grandfather clock by John Gladstone of Biggar. The clock has a wonderful brass dial with serpent spandrels, it has an eight day movement that strikes upon a bell on the hour with hour count. It has been recently serviced and is keeping good time. The trunk has wonderful crisp carved detail and is a great colour; it remains in good condition with no woodworm. We can arrange delivery through the UK from £70. Please enquire for a firm price.
