Description

A beautiful Art Deco five-stone ring in 18-carat yellow gold, with the diamonds bezel-set into platinum with a pretty milgrain edging. The five diamonds graduate in size from approximately 2 to 2.5mm, with a conservative estimate of 0.22 carats in total weight. In very good antique condition with normal wear for an item of this age. Marked 18CT PLAT and MG&S inside the shank. Size: K (UK), 5 (US). The face of the ring is 1.2cm across and it sits around 4mm above the finger. Weight: 1.6g.
