Description

1930s Art Deco pocket watch and chain. The watch has a stem-winding movement which is working nicely. The watch measures 45mm diameter excluding the winding crown and loop. The case is chrome plated and it has an Art Deco design to the back. The acrylic lens is in good condition. The dial is in its original finish and it is very stylish with a copper coloured ring running through the numbers, original blued steel hands and a subsidiary seconds dial. The watch comes in a single chain, 35cm long. The watch and chain come in a new presentation box.
