Description

Small antique Victorian mahogany chest of drawers in good condition & with lots of character. It has rounded corners & deep drawers with turned mahogany handles, locks & fine dovetails. One particular nice feature is the bottom drawer that's extra deep & comes out attached to the plinth base. This is a nice compact chest of drawers with no wasted space. There are some age related marks consistent for a 150 year old piece & these only add to the character of this chest. Width – 35 inches, 88 cm Depth – 18 inches, 46 cm Height – 36 inches, 90 cm
