Description

A 19th century bronze figure of a scholar seated on a bench. The bench has lovely detail of an eagle's head and claw feet. The bearded scholar possibly Roman / Greek is wearing a leaf headband and sandals with his foot resting on a book, and his arm resting on a column which has a decorative finial. He is reading a scroll and possibly in his other hand it would have had a quill. A good colour and quality bronze sculpture. £950 Contact. 07970119030 Dimensions 37cm width 29cm height 16cm depth
