Description

Antique Austrian Arts & Crafts Satin Birch dresser & single matching chair in good original condition. I would date this dresser from around the 1880-90's period & it's very stylish for it's time. We obtained this piece from a private residence in central London & the previous owner said she inherited it from her mother who brought it over from Austria. There is plenty of storage in this cabinet & the glass panes are all bevelled with lead in-between. We are throwing the chair in, because it seems a shame to separate it as it was made by the same person & compliments the dresser. Same price with or without. Dresser: Width – 54 inches, 138 cm Depth – 19 inches, 49 cm Height – 76 inches, 192 cm Chair: Width – 17 inches, 43 cm Depth – 18 inches, 46 cm Height – 37 inches, 94 cm Seat height – 17 inches, 43 cm
