Description

For your consideration are these very large pair of French Modernist Art Deco wall lights in chrome and glass. Very substantial in both weight and quality. Heavy chromed Circular frames, with glass insert which illuminates behind the cut out female silhouette. Needless to say these style of lights don't come onto the market often and when they do they're often damaged. These are totally authentic and to the period and in excellent condition with just minimal signs of age related wear. Both lights will be fitted with a modern chrome bayonet fitting and will take a regular household bulb or 40/ 60 watts. We currently have 50 pairs of Art Deco original wall lights, check out our other listing to see more examples. www.artdecoworld.co.uk FREE UK DELIVERY
