Description

We really can't sing the praises of these fabulously stylish Art Deco sconces enough. Originating from France these Art Deco matching pair of wall lights feature very heavy thick satin pressed glass slip shades which sit snugly inside heavy wrought iron wall brackets. The glass design is of roses and foliage. Dating to the 1930's, the lights are currently fitted with plastic replacement bulb holders which we will be exchanging for brass / chrome bayonet fittings. The condition is very good, just normal age related wear.
