Description

An American moneybox entitled "Always did 'spise a mule" A coin is put in the jockeys mouth, the button is pressed and the mule kicks and throws the jockey off. The actions delivers the coin in the slot. The mechanism is in good working order, but the peak of the jockeys cap is missing. No doubt an enthusiast could repair this. These money boxes are quite collectable. The small missing piece is reflected in the price. We can deliver internationally and would calculate the cost to buyer. Payment by Paypal or bank transfer .
