Description

1930s Art Deco pocket watch and chain. The watch has a Swiss stem-winding movement which is working nicely. The watch measures 50mm diameter excluding the winding crown and the loop. The case is chrome plated nickel and it has a handsome Art Deco design to the hinged case back. The case is in good condition, just some surface marking to the back but nothing serious at all. The acrylic lens is in good condition. The dial has a stylish Art Deco textured pattern, blued steel hands and an outer minute track. The watch comes with a single chain, 36cm long. The watch and chain come in a new presentation box.
