Sold**Item Reference: SA69438****Date of manufacture: 1930**

Description

A rarely found example of a novelty cocktail shaker I think meant to resemble a milk churn. What of course makes this so very special is the maker, being the exclusive luxury London retailer, Asprey & Co., still in New Bond Street today. This example dates to around 1930 and in excellent clean condition. Of course it is marked on the underside. Measures 10" tall and 6" from spout to handle.
