Description

Circa 1920-1940 a very tall wooden lamp - possibly oak, in very good condition. It measures 47cm in height in total; 41cm from the lamp holder to the base and the base is approximately 19cm in diameter. It was rewired by the previous owner a few years ago and is in good working order. To comply with UK electrical regulations it should be PAT tested before use. We are unable to carry out the test because our electricians are closed due to the current situation. Postage and packing for the UK mainland only is included in the price and for outside areas or abroad, please contact us for a delivery quote.
