Description

Circa 1920-1940 a Stuart crystal lamp with the trademark Stuart - England- on the base. The lamp measures 33cm in height in total; 26cm to the flat collar of the chrome fitting, and the base is approximately 13.5cm in diameter. The trademark mark can just be seen in Photo 3, left of the cable arch on the base. The Company was eventually taken over by Waterford glass who continue to make crystal lamps alongside other glass items. This lamp is in very good condition and was rewired by a professional electrician by the previous owner, but will require an up to date PAT test before use to comply with UK regs. Postage and packing within the UK mainland only is included in the price and for outside areas or abroad, please contact us for a delivery quote.
