Description

A solid brass Edwardian lamp with three lion's claw feet and in very good condition. It was made in the Pullman shape, only this is more angular and unusual. The lamp measures 46cm in height including the shade, and the feet are approximately 15cm apart. It was rewired by the previous owner and must be PAT tested before use. The original period glass shade and necessary brass gimble used to fit it, is included in the price. If the buyer would prefer another shade, please look at our website lancasterantiques.co.uk and email us to check what is still available. Postage and packing for UK mainland is included in the price and for remote areas or abroad, please contact us for a delivery quote.
