Description

This superb quality antique opal bangle has been crafted in 9 ct yellow gold. The Whole body of this bangle is hollow in nature. The hinged bangle has a triangular style frame, composed of two halves. The interior face of the bangle has a plain finish, The setting is ornamented with three graduated pavé set cabochon opals, displayed alternately between two individually pavé set old cut diamonds. The bangle secures with an integrated push fit clasp and befits from the additional security of a fine link safety chain. The push fit clasp is hallmarked to the interior with the 9 ct gold fineness mark (9.375). Condition: very good no faults and weighs 13.5 grams. Interior diameter 6.1cm

Internal Ref: 4520
