Description

For your consideration and for those gents out there who aspire to something not only special but represents true Art Deco in its styling not just noted for when it was made and in great condition, then this wrist watch maybe what you're seeking. A good sized dial for modern day use, originally as a dress watch but works equally well for day wear for the dapper gentleman out there. This watch is in remarkable condition for its age, 90 odd years and no scratching to the glass crystal, no wear through the gold or back plate. This watch has just been fully serviced so will serve the new owner for many years again. Beautiful Salmon & Champagne coloured two tone Dial which is in superb condition. The 19 jewel 982 Hamilton Movement is working well and was Serviced early this year. The 14k Gold filled case is in near mint condition with no visible scratches or marks to the naked eye, this truly is a lovely watch. The Dial is 23mm wide and 37mm lug to lug in Length FREE UK delivery, sent in a presentation box.
