Description

Antique mirror in three sections with blue mirror banding set in a gilt wood frame. I'm not sure of the exact age but it looks to me from the late 19th century or possible early 20th century. It's quite large & can be hung either way, which is useful. This mirror has a bit of natural distressing on the blue mirror parts & on the gilt frame, which I think adds to the character. I think this mirror could be Venetian. Width - 64 inches, 163 cm Height - 20 inches, 51 cm
