Description

This is a very beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Rolex. This is the very desirable Tudor model. It has a solid 9ct yellow gold case and is fitted to a gorgeous solid 9ct gold basket weave design bracelet which has a three position and just glides around the wrist. It is quite stunning with an ivory coloured dial which is in perfect condition. A new glass has been fitted and the case and bracelet professionally cleaned and polished so it is absolutely pristine. As you would expect from Rolex the watch is fully marked Tudor on the dial and movement. It has the Rolex logo on the winding crown and the Tudor logo on the clasp. Rolex are one of the most exclusive makers in the world and this watch certainly has that understated elegance which resonates class. The watch case measures 22mm in diameter not including the crown. It fits a maximum wrist size of 7 inches or 178mm but this can easily be reduced by any competent jeweller. It is extremely heavy weighing 44g and it comes with its original box. This watch looks as though it is unworn, just amazing. This watch has been fully and professionally overhauled...
