Date of manufacture: 1930

Dimensions

Height = 78 cm (30.7")

Width = 31 cm (12.2")

Depth = 2 cm (0.8")

Description

An incredible find: a shop display advertising prop in the form of a giant Yale-type key. This boldly-cast, heavy, solid metal commercial display piece, that would have graced the wall of a security shop or hardware store, retains its original paint finish consisting of a rubbed gilt-metal effect with metal beneath showing through. It could be hung on any wall in the house and enjoyed as a work of art.
