Description

For your consideration is this superb Art Deco Czech glass vase, more noteworthy for it's actual size which is huge! perfect for adding a statement to any area of a room . This exceptional 1930's Art Deco glass vase is possibly by Karl Palda and what a gem it is. Heavy quality crystal with no damage, just the odd minor scratch to the base (but for 90 odd years old we think that's pretty amazing). Made In the Czech Republic, original vintage etched enamel artwork. Pure class. Last two images are from an original 1930's catalogue of Karl Palda glassware, shown for demonstration and not part of this sale. Free UK Delivery
