Description

Wonderfully stylish 1930's Art Deco glass decanter set and glasses by Karl Palda, one of our personal favourite sets. The squat shaped decanter is an absolute delight and beautifully detailed with alternating segments of black enamelling designs to a panel of ribbed glass. Six conical shaped glasses accompany this set all in perfect condition, we've searched and can't find any flaws, that's pretty amazingly for 90 odd years old. FREE UK DELIVERY
