Description

A very large 19th Century walnut upholstered centre stool on original Copes & Collinson castors. English Circa 1870. Of large scale, this rare centre stool would be ideal for a coffee / centre table measuring over 5 ft wide. The drop in cushioned centre surrounded by a moulded and carved frame over four turned and carved legs sitting on square caps united by a H framed stretcher base, raised on original brass 'Copes & Collinson' Patented Strong cup castors (never been off). The fabric, which looks to be the original, would benefit from being recovered which can be organised to a client fabric choice. Offered in excellent original condition having been wax polished, the centre stretcher is later but extremely well matched. A very rare piece indeed. Dimension Width 56 1/2 inches - 161cm Height 18 inches - 45cm Depth 34 1/2 inches - 88cm
