Price

**Sold****Item Reference: SA69748****Date of manufacture: 1890**

## Description

A beautifully executed hand-carved double postage stamp box in the form of a dog's head and dating to around 1890, Victorian era. This adorable canine retains his two original amber glass eyes, both in great shape. The hinged lid opens to reveal a double compartment stamp box, unusual as most of these I have ever come across are usually inkwells. In front of the two compartments RIGI is impressed into the wood, so this would originally have been purchased as a souvenir at Mount Rigi in the centre of Switzerland. Excellent condition measuring 3" x 3" x 3". Item ID: 32066 ----- FREE Worldwide Registered Airmail; Insurance Optional.

Internal Ref: 32066
