Price

Sold**Item Reference: SA697552****Date of manufacture: 19th Century**

Description

A 19th century three piece tea set by Walker and Hall of Sheffield fully hallmarked date 1898. The very fine quality tea set consisting of tea pot , sugar bowl and milk jug has a fluted body , at the base there is bright cut work also to the top. Walker and Hall began with John Harrison , a Britannia metal worker who took out the first license in Sheffield from Elkington on 13 June 1843 to make electroplated items . Walker started in his own and took a license for him and partner but didn't start manufacturing straight away , after a while he was joined by another partner, Henry Hall and the company of Walker & Hall began . Dimensions of Tea pot 28cm wide 18cm high 13.5 cm depth Dimensions milk jug 15cm wide 7.5 cm depth 7 cm high Dimensions sugar bowl 18cm wide 10cm high 9cm depth Total weight of set is 1124.8 grams Total in ounces 36.16 Excellent condition £675 Contact 07970119030 10cm
