Description

An elegant suite consisting of a pair of candelabra and additional pair of matching candlesticks in heavy silver plate with intricately embossed scroll design. Each piece has a central column culminating on a circular base. The candelabra have three branches with the centre branch having a removable finial, exposing the third sconce. The arms are removable and convert into a pair of single candlesticks. Thus, if desired, they could display as four matching single candlesticks. A mark bearing a thistle imprinted on each piece indicates a Sheffield manufacturer from around 1860. This suite is very heavy, of fabulous quality and in perfect condition.
