Gents 1960s Roamer Superking wrist watch

Price

Sold

Item Reference: SA697842

Date of manufacture: 1960

Description

Gents 1960s Roamer Superking wrist watch. The watch has a 17-jewel hand-winding movement, an in-house MST 802, which is working nicely. The movement is protected by an inner plastic cover. The watch measures 32mm diameter excluding the winding crown and the lugs. The case is stainless steel and the main body is in very nice condition. There are some scratches to the back where a tool has slipped in the past. The case back is fully signed and the watch has its original Roamer winding crown. The lens is in good condition. The signed dial is in super original condition with original hands, seconds sweep with red pointer end and an early form of quickset date where the hands are moved backwards and forwards repeatedly between 12 midnight and 9pm until the desired date is reached. A new leather strap has been fitted. The watch comes in a new presentation box.
