Sold**Item Reference: SA698254****Date of manufacture: 1930**

Description

1930s Tavannes pocket watch. The watch has a signed 17-jewel stem-winding movement which is working nicely. The movement is protected by an inner hinged cover, it has some marking to the edge where it has been opened in the past but this is not visible when the back cover is closed. The watch measures 50mm diameter excluding the winding stem and the loop. The case is gold plated and overall is in good condition with just light surface marking, nothing serious at all. The watch has a later acrylic lens is in good condition. The white dial is in good condition and has blued steel hands, a subsidiary seconds dial and outer minute markers. The watch will be sent in a new presentation box.
