Description

This pair of antique leather Swedish club armchairs have great character & are very comfortable too. The leather is all original along with leather straps & studs. I love the original colour on the leather that has naturally aged. The leather is still in good condition with various old marks & distressing, however there are no splits, holes or tears. I also like the high ribbed backs which give extra support for your head & good back support beneath too. The seats have the original hand coiled springs, which last forever. These are great chairs & not a model I come across often. I would date them to around the 1890-1900 period & they have just come over from Sweden. Width – 32 inches, 82 cm Depth – 37 inches, 94 cm Height – 39 inches, 99 cm Seat height – 16 inches, 40 cm
