Description

Outstanding Omega solid 9ct gold gents wristwatch c1948-49. This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. The watch is the calibre 30T2 15 jewels manual wind movement which is regarded as the finest manual wind movement ever made by Omega and the same as used by the military during WWII, as you can see it is in fabulous condition. It is rare in as much as it has its original sub seconds dial which is in superb near mint condition, it has not been restored or retouched in any way. It has solid gold hands and its original solid gold non logo crown. A new glass has been fitted and the case has been professionally polished so it is in exceptional condition. As you would expect the watch is fully marked on the dial, movement and case. It comes with a brand new high quality wooden presentation box. It comes complete with a new premium quality black leather strap. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class indeed this is the best original and untouched dial we have ever come across on a 1940s watch and is ne...
