Description

This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. The watch is the calibre 491 fully automatic movement, as you can see it is in fabulous condition. The serial number accurately dates it to 1959 and it has a reference number of 2897. The sub seconds dial is in mint condition having been fully restored and it has solid rose gold hands and baton markers. The solid 18ct rose gold case measures 35mm in diameter excluding the winding crown. It has the Omega symbol on the crown and genuine Omega buckle has been fitted. A new glass has been fitted and the case has been professionally polished so it is in superb condition. It comes with its original presentation box. As you would expect the watch is fully marked on the dial, movement and case. It comes with a brand new high quality presentation box and premium black leather strap. The case is fully hallmarked. Overall this watch is in outstanding condition, a rare find indeed and one of the most beautiful Omega watches ever made and highly sought after by Omega collectors it looks as if it was rarely worn. The watch has been fully serviced and is gu...
